

**Commercial offer**  
**OJSC NEMAN Glassworks, Republic of Belarus**

---

OJSC "Glassworks "Neman" is looking for companies operating in the market of high-quality tableware and decorative items made of lead crystal (24% PbO), colorless and colored sodium-potassium-silicate glass

The factory works since 1883 and is the largest manufacturer of crystal and glass items in the Republic of Belarus

NEMAN goods are products for table, decorative and souvenir items sold on the domestic and foreign markets under HS code 7013. Our products can be used not only at home but also in catering, canteens, restaurants, hotels. The products range also includes artistic design works that can adequately decorate any room.

For complete information about NEMAN product please visit our web-site [www.neman.by](http://www.neman.by)

Products manufactured by OJSC "Glassworks "Neman" are high-quality, eco-friendly, they correspond to State Standards 30407 – 96 "Tableware and decorative glass items", as well as to the requirements of international and European standards

The company implemented the system of bar-coding in accordance with the EAN demands. It allows to sell products in all the structures of wholesale and retail trade.

The advantage of our products to those of other manufacturers is their wide range, possibility of its quick-change, flexible price policy. The main advantage for lovers of glass and crystal - manual mode of production.

The company offers flexible terms of cooperation with an individual approach to each customer. We apply a system of discounts depending on the volumes of purchased goods, terms and conditions of payment. Shipping can be made by road, rail and sea transport on terms of FCA and other terms agreed by both parties. Customs clearance in Belarus is at the expense of the enterprise. The shipped goods are accompanied by Declaration of conformity of the Customs Union No TC BY/112 10.1.1D 003 00133 dtd 31.10.2011. and Protocol of sanitary-chemical tests No 0115/2360 / 10-02.

Terms of manufacturing orders - from 10 to 30 days. We also produce goods by individual and special orders with logos and inscriptions.

We are interested in establishing long-term relationships and look forward to mutually beneficial cooperation.
